

APPLE

SANITIZER AND DEODORANT

DESCRIPTION

APPLE is a deodorant with an apple scent. **APPLE** is very efficient against microbes and leaves a pleasant long- lasting scent.

APPLICATION

Vaporise **APPLE** to control malodors and to inhibit pathogenic microbes.

-Spray deodorant: Mix 1 part **APPLE** in 10 parts water and vaporize.

-Floor mopping and carpet extraction: 1 part **APPLE** in 80 parts of cleaning solution.

-Extra strength odor control : (urinals, drains, sewers, etc.) : Pour undiluted **APPLE**.
For Food Plant Use, food contact surfaces are to be rinsed with potable water before re-use. DO NOT CONTAMINATE FOOD.

DISPOSAL

-Rinse the emptied container thoroughly and add rinsings to the treatment site.

-Make the empty container unsuitable for further use.
