

# **BIO TRAPPES**

## **BIOTECHNOLOGY for grease traps**

### **Eliminates bad odors**

#### **DESCRIPTION**

**BIO TRAPPES** is a multiple spore blend of bacteria that control odors, remove organic waste compounds and provides quick cleaning action.

**BIO TRAPPES**'s innovative multiple spore blend can be used to design environmentally safe solutions for many types of organic wastes.

The select blend of bios trains in **BIO TRAPPES** specifically promote optimum enzymatic activity of protease, lipase, amylase and cellulase, and provides outstanding breakdown of protein, starch, carbohydrates, fats, oils and grease.

#### **APPLICATION**

For grease traps and drains: add 500 to 600 ml of **BIO TRAPPES** in a day. **BIO TRAPPES** is designed to provide exceptional performance in drain line, grease trap maintenance, odor control, septic and waste treatment.

**For professional use only – Product not regulated by W.H.M.I.S.**

**Warning:** May cause eye irritation.

**Precautionary measures:** Do not ingest. No special personal protection equipment required. Avoid contamination of food in the application and storage of the product.

#### **First Aid:**

**Eyes:** Flush with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids.

**Ingestion:** Drink several glasses of water or milk. Seek medical attention.

#### **KEEP OUT OF REACH OF CHILDREN.**

Ingredients: water, nonionic surfactants, bacterial culture, perfume, color.
